

# **License Agreement**

## **for the Virtual Physiology Software**

### **# programs #**

made by and between

the Licensor:

**Biomedizin & Technik GbR (Marburg Office, Dr. Hans A. Braun)  
Schuetzenstr. 33, 35096 Weimar (Lahn), Germany**

and the Authorized User:

**# Institution #**

### **I. Scope of the License: The Virtual Physiology programs**

**# programs #**

- **including updates as specified below**

The "Virtual Physiology Software" means software program and the accompanying material produced and distributed by the Licensor comprising of the fully revised, updated versions of the Virtual Physiology Software with the following new features:

- prepared for use on all current Windows versions
- vector graphics, adjustable to different screen resolutions
- integrated tutorials, protocol forms, etc.
- high resolution videos of the preparation

In case that some programs are not yet in their final state, the still missing parts will be delivered free of charge as soon as they are available.

### **II. License Grant**

The license comprises a non-exclusive, non-transferable right for the institute to use the Virtual Physiology Software for all teaching activities. The Virtual Physiology Software may be used by students and teachers on an unlimited number of computers or via a server provided that the access to the server is restricted to the teachers and enrolled students at the authorized Institution. The authorized institution may allow their students to download the Virtual Physiology programs on their computers at home provided that these programs include time-limited student licenses that will be delivered on request.

The licenses are valid from the date of payment receipt and receipt of the signed license agreement for an unlimited period of time.

### **III. Restrictions**

The Authorized User shall not:

- make unauthorized copies of the Virtual Physiology Software,
- assign, sell, license or transfer the Virtual Physiology Software in any form,

- make any attempts to reverse assembly, reverse compile, or translate the program code of the Virtual Physiology Software or any portion thereof.

#### **IV. Proprietary Rights**

The Authorized User acknowledges and agrees that the Virtual Physiology Software are proprietary to the Licensor and title thereto shall remain the sole and exclusive property of Licensor. The Virtual Physiology Software is a publication of the Licensor that is protected by copyright and the Virtual Physiology Software contains copyrighted information. Except for the limited rights given to Authorized User herein, all rights in the software are reserved by Licensor.

#### **V. Disclaimer of Warranties and Limitation of Liability**

Authorized User recognizes that the Virtual Physiology Software is to be used only as a teaching aid. It is not intended to be a substitute for the exercise of the professional teaching activities by the faculty members or of the judgment of the Authorized User.

THE VIRTUAL PHYSIOLOGY SOFTWARE IS PROVIDED "AS IS", WITHOUT WARRANTY OF ANY KIND, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO THE IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

The Licensor does not warrant, guarantee or make any representation regarding the use or the results of the use or operation of the Virtual Physiology Software in terms of accuracy, reliability, currentness or otherwise. The entire risk as to the results and performance of the Virtual Physiology Software is assumed by Authorized User.

IN NO EVENT SHALL THE LICENSOR BE LIABLE FOR ANY DIRECT, INDIRECT, SPECIAL, CONSEQUENTIAL, OR INCIDENTAL DAMAGES RESULTING FROM THEIR USE, HOWEVER CAUSED, ARISING UNDER ANY THEORY OF LIABILITY.

#### **VI. Governing Law**

This license agreement is governed by the Laws of the Federal Republic of Germany without regards the provisions of the conflict of laws.
